

The **DREAM** House

A Capital Area Dream Center Ministry

Updates:

Good news!

I'm sure you could use some of it, right!? During these tough times, we wanted to share our exciting news that Abby moved into the Dream House...just in time! Despite it being a unique beginning, she has been doing remarkably well! Since she is currently the only one living at the Dream House, she has spent a lot of time with our family and has bonded with our little ones quickly. The joy she carries is contagious and she has been a blessing to be "quarantined" with her during these last weeks.

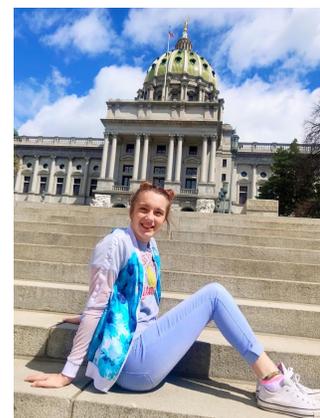

We have chosen to have as much fun as we can during the social distancing! Abby has gotten to explore the city with several walks to the capital and even a long walk to City Island. We have found several other places to walk and enjoy the nice spring weather, when it chooses to come around. Our family has made sweet memories with her making cookies, pretending to roast marshmallows, having "dance parties" and watching Disney movies. God is using this precious time to bring healing to Abby as she gets to be the kid she never got to be. Abby also spent her own time watching the entire Bible series and pursuing healing prayer. She is hungry to walk in freedom and

inspire others. Thank you for your prayers, resources, donations, and hard work that made it possible for Abby to call the Dream House her home.

A Word from Abby

"Hi, my name is Abby and I am so happy to be the first Dream House girl! Before I moved to the Dream House, I was at a very dark and gloomy place. I wanted to come to the Dream House, because I want to grow closer to Jesus, and I want to feel the love of a family. Since moving here, I've experienced that and more. My dreams are to go back to college for either photography or evangelism and to buy a plane ticket, because I have never been on a plane!"

Moving forward

As with many things in our lives right now, moving in more girls to the Dream House is on hold. There are other girls interested in the Dream House and we look forward to moving forward when possible. One of the applicants will be having a Facetime interview this week, with the hopes that she can at least know now if it is a good fit or not.

Needs

In order to guarantee sustainability, monthly support is greatly needed to maintain a special place for lives to be transformed.

You can become a monthly-support partner by going to www.cadcdreamhouse.org. Follow the "Donate" links and check the box "Make this a monthly donation."

Checks made out to Capital Area Dream House can be mailed to The Dream House 1323 State Street Harrisburg, PA 17103.
