# the DREAMHOUSE

## **So much LIFE at the Dream House!**

We did not know that a simple “yes” would bring about so many blessings! In this new season, when God called us to invite young moms and pregnant girls into the Dream House, He was certainly up to something special. We now have three young ladies, Jessica, Parice and Elaysia, a one year old Adelynn, a one month old Brielle, born on March 9th, and two more little ones on the way! At the Dream House, they will grow as mothers while also being given the tools to go after their dreams.

During these first months at the Dream House, each of the girls has been enrolled at Commonwealth Charter Academy and are working diligently to complete the requirements for graduation. We are expected to have two graduates to celebrate this coming June and another the following summer.

They have also been tackling smaller tasks like learning to make (and be persistent with making) important phone calls, using public transportation, managing finances, and dealing with conflict.

We also celebrate a new life in Christ, as Jessica chose to invite Jesus into her heart!

We praise God for all these celebrations of new life and the promises yet to come!

## **Family Dinner & Growth Group**

What a blessing it is to sit around a full table, sharing a meal and life together. Each Thursday, the Dream House girls, as well as four other young adults, have been invited to share in this special time. Following dinner, we have had deep, engaging conversations about the battlefield of the mind, victim mentality, and the pursuit of God. We also had a paint night, a teaching about use of essential oils, and In Him Christian Wellness led a conversation on Anxiety and Depression. We are expecting God to continue to move in powerful ways during these times, bringing healing, relationship and growth.

### **Jonah Paul Shelly**

On March 25th, we welcomed our sweet baby boy into the world. God gave us our gift two weeks early and heard our prayers for a safe delivery. He is a much loved little boy! Thank you Jesus for his life!
