# the DREAMHOUSE

## And from there, healing flows.

Put your hand on her back and welcome the Holy Spirit," Pastor Mark instructed one of the Dream House residents. He had come to share a word during our Growth Group, but God was moving in a different way. Following the lead of Pastor Mark, she prayed a simple prayer for healing.

"Whoa! I felt something!" exclaimed another girl who had rested her hand on the back as well. The young lady, who had come that evening with debilitating back pain, looked up and chuckled. She knew something had happened. Her pain was gone and even now, two weeks later, and the harsh pain is still gone. While we love the testimony of healing, what makes it extra special is the way it came about. Pastor Mark could have easily reached out his hand and prayed for healing. But instead he empowered a young lady to pray, because he believes in what God has put inside of her. He showed the whole group what they can do. And that is a demonstration of our hearts at the Dream House.

## Indian Echo Caverns

Indian Echo Caverns is such a cool place to discover the awesomenes of God's creation! We had a fun time together!

**\*\*Dinner Sponsors, look for an email with an update about the dinner(s) you sponsored!\*\***

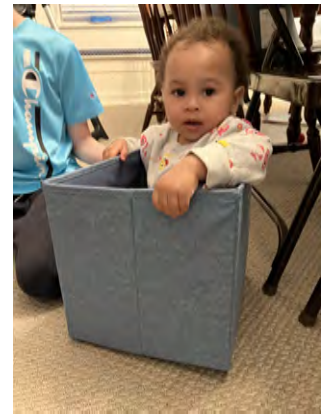

We believe healing happens around the dinner table!

## Volunteer Spotlight: Dave

Dave signed up as a volunteer to help with Dream House vehicles back in December. Since then he has helped Anthony complete major repairs and oil changes on two Dream House vehicles which has saved us and our resident hundreds of dollars! He has even done a house call with Anthony to the Mother of one of our Support Program Participants, Tyquail. Her car had been unable to be started for 3 months! Dave was able to get it started and also diagnose some other potential problems that need addressed!

Thank you so much to Dave and so many others who have come alongside this ministry as volunteers!!
