

The **DREAM** House

A Capital Area Dream Center Ministry

Welcome Tajanay

Tajanay is a wonderful edition to our Dream House family. Tajanay grew up in Harrisburg and recently graduated from Harrisburg High School. She has dreams of becoming a childrens' counselor. She has made tremendous strides in the few weeks she has been with us. On August 1st, she made the decision to give her life to Jesus! She has now been participating in a Breakfast Bible study every Wednesday with Shannon and Abby. It is the first time she studied the Bible and she's eager to find and underline verses and take notes as she learns about her identity in Christ!

Employed

Abby and Tajanay both landed jobs at Bath and Body Works! Abby enjoys being on register and Tajanay likes working the floor. They now have the opportunity to grow in valuable skills, such as responsibility in the workplace, using public transportation, and saving money.

Art

Paint Nights have been an enjoyable monthly event at the Dream House. It is particularly fun seeing Hannah's artistic talent emerge! The Dream House has connected Hannah with "Center for Hope and Healing" where she is able to receive art therapy on a weekly basis.

Exciting News!

God has opened the door for Anthony to end his time at Gaudenzia and devote part time hours to the Dream House! The dream from the beginning was for Anthony and Shannon to do this ministry together, and now God has made a way! As Administrative Director, Anthony will be devoted to the “behind the scenes” functions of the Dream House. If you have any opportunities for him to connect with churches, businesses or individuals who may be interested in the mission of the Dream House, please contact him at anthony@cadcdreamhouse.org.

Volunteer highlight

Before our doors were opened, it became clear that the Dream House needed someone to oversee the volunteers. In a quick answer to prayer, **Nancy Bauman** contacted the Dream House with an amazing heart to serve. She has been a blessing beyond what she even signed up for! Nancy organizes transportation for the girls, communicates with the volunteers, organizes donations for our group dinners, and has become the “next in command” when the Shelly’s are away. She has proven to be available in any way she can to ease the burden and provide support.

Nancy also serves as a “prayer warrior” and adviser to the Dream House. Thank you Nancy for offering your beautiful heart in service to the Dream House! *If you would like to know the current volunteer needs, please contact Nancy at volunteer@cadcdreamhouse.org.*
