

the DREAMHOUSE

"It's happening so quickly. **I have done more in these last five months than ever before in my life,**" Parice said with a proud smile, looking down at her baby girl resting in her arms. Just five months ago when we sat and talked about the possibility of the Dream House, she shared how she wanted a positive life for her daughter that was yet to be born. At that point, with so many unknowns, she could not even put into words what that really meant. But now, five months later, she is not only a mother, but a high school graduate, a licensed driver, a Clark's Shoe employee, and a student at Empire Beauty School. This is what it looks like when a determined young woman has the support she needs to flourish...

This is the Dream House!

Four-wheeling fun

Tajanay's first ever S'more!!

It's always a blessing to get out of the city for a bit and enjoy some country air. We made some fun memories on the Shelly farm riding the four wheeler and making s'mores!

Coming Soon!

Please pray for Jessica and Elaysia as they soon give birth to their baby girls. Jessica's room is all ready with every baby item she could possibly need! She went to all her appointments, discussed labor and coping skills at life coaching, and has grown as an individual through the process. Now, she is eager to just hold her baby girl in her arms!

Elaysia has a solid plan as she prepares to give the most amazing gift to the adoptive parents. She has shown incredible strength as she has continued to work hard and take huge leaps forward...all while being pregnant and caring for her little girl!

Elysia and Kay will be beginning a brand new school year at Commonwealth Charter Academy. We are proud of their commitment to their education and determination to earn their diplomas. We are praying and believing that we will have two more graduates to celebrate come June 2023!
