

# The **DREAM** House

A Capital Area Dream Center Ministry

## **Updates:**

### *A month of firsts:*

If you recall in the April newsletter, Abby mentioned that one of her dreams was to fly in an airplane, something she has never done before. By God's grace, she had the opportunity to fly to Colorado to visit a friend and receive some deep inner healing. She had an amazing time!! Unfortunately, she experienced another "first" that wasn't quite as fun. She fell down the basement steps backwards! After a trip to the ER, she was told that she needed surgery on her hand and had to stay in the hospital for two nights. The surgery went well and Abby kept a positive attitude. Despite the pain and having to be in a splint for a while, we praise God that she didn't have more severe injuries. It was quite a bad fall, and the Lord definitely protected her.

### *Hannah and Faye:*

Six weeks ago, we were honored to welcome our second young lady into the Dream House family. Hannah comes to us from Dillsburg, where she has lived all her life. She has faced many challenges and is looking for guidance and accountability is taking steps forward. She absolutely loves animals. She made the tough decision of placing her dog with a temporary owner so that she could live at the Dream House. We allowed her to get a guinea pig to fill that "animal void" a bit! Hannah dreams of a career that involves animals in some way!

## *Growth:*

In beginning a ministry, it inevitably includes learning as you go and discovering what not to do next time! A few weeks ago, we had a third girl move in in an emergency situation. It was an unfortunate occurrence as it became clear that this was not a good fit for her. The challenges brought opportunities to grow. We have a better grasp of what the decision process should look like and are formulating a more concrete accountability system.

We have been communicating with another girl from Harrisburg for a while who has interest in living at the Dream House. We are moving forward carefully as we pray for the discernment to know if the Dream House is a good fit.
