## 3RD ANNUAL DREAM HOUSE FUNDRAISER

Entertainer: Ryan & Friends!

November 18th, 2022 @ 6:00 pm

For Tickets: [www.padreamhouse.org](http://www.padreamhouse.org)

If someone happened to be driving slow enough down the winding country road on that beautiful Sunday afternoon, they may have seen what appeared to be three older kids bouncing as high as they could on a trampoline. If their window was cracked, they may have heard the joyful laughter. Perhaps it would have made them smile. And they would continue on their way. But what they would not know, is the healing that was taking place. They wouldn't know the miraculous joy that was being experienced despite significant challenges being faced over the last month. They wouldn't know that these three mothers were experiencing freedom. Healing comes in all different ways...

### *This is the Dream House!*

Healing through laughter and friendship!

Newest Dream House Baby-Breanna, born 9/3/2022!

### *"So who is in the Dream House?"*

Over the last month, we had two young ladies transition out. It isn't easy to let them go, but we know God will continue to pursue them in ways that we cannot. The Dream House continues to be full of activity!

**Elaysia and Adelynn** have been at the Dream House for 7 months now. Elaysia is a true warrior! She gave birth naturally and surrendered her precious gift to the Lord as she gave her up in adoption. She is working hard at Panera as well as her senior year at Commonwealth Charter Academy.

**Parice and Brielle** have been at the Dream House for 8 months. Brielle is now 7 months old and is officially a crawler! Parice is another hard worker at her full time job from home and Empire Beauty School at night.

**Jessica** has been with us for 8 months. On September 3rd, she gave birth to **Breanna Marie!** Jessica has done an amazing job navigating the challenges of becoming a mother. Beanna is doing well and is a beautiful addition to the Dream House. Jessica recently started her new job at Panera and is determined to give it all her best.

We were able to provide Adrian's First Birthday Party!

### Support Program

Imagine seven adults and eight children between the ages of one month to six years, all sharing dinner around the same table! That's the fun we get to have Thursday nights for Family Dinner! In addition to the Dream House residents, we have some other special people around the table: a young couple and their two children and a single mom and her son. As God brings people our way, we evaluate how He wants to use us to minister hope to them. We feel honored to be a part of so many people's stories. We currently are assisting six young adults in some way in our support program.
